

BUWC Women in Focus Ministry Idea

THE GATHERING is a women's ministry idea out of Pincher Creek, AB. We gather one Tuesday each month with the purpose of getting to know one another on a deeper level. In groups of three, we work through questions together that initiate dialogue on various topics. The first couple of questions are 'get to know you better' topics and then we move into a Scripture passage and discuss ideas that come from our interaction with the passage. The most important part of the evening is the third part when each person in the triplet shares a personal prayer request and the other two lay a hand on her and pray for her. We haven't had huge numbers attending, but those who have come have found it very helpful in building deeper, more intimate relationships with women in our church. The power of praying for one another is immeasurable.

There are six outlines available. Click on link on webpage.

If you would like to receive the outlines for our Gatherings, email Faye Reynolds at sfreynolds@shaw.ca
