

BUWC Women in Focus Ministry Idea

WOMEN IN TOUCH of West Van Baptist Church has many interesting ministries taking place. They held a Saturday Breakfast called “Celebration of Womanhood” where women were encouraged to bring their sisters, mothers, daughters and friends. One Sunday Evening they held a program highlighting 12 different ministries of West Van with displays and presentations, along with special music, worship and dessert.

Journey to the Cross - was the name of a luncheon that they held before Easter. After a nice lunch and quiet conversation, through Scripture and song they told the Easter story together, and then had an open microphone for women to express what Jesus means in their lives. A beautiful time was spent together.

Marleen Bahr is a wonderful resource for ideas and has developed a strong leadership team for women’s ministries in their church.
